

AGENDA

Unravelling product risk assessment (post incident)

Summit hosted by Electrical Safety First – 26th March 2019

12.30 Registration & Lunch

13:30 Opening Remarks & Welcome

Phil Buckle, Chief Executive, Electrical Safety First

13.35 Introduction & Background

Martyn Allen, Technical Director, Electrical Safety First

13:45 Risk assessment process – theory and methodology

In this first session, our expert panel will go through the methodology of undertaking a risk assessment (post incident).

Using the recognised EU format as the basis, the session will take a step by step approach looking at all of the factors that need to be considered in order to identify the level of risk, including how to document it.

14:45 Q&A

15:00 Tea & Coffee break

15:30 Putting the theory into practice

Using the learning from the previous session, this facilitated workshop will provide the opportunity to complete a risk assessment using several case studies by putting theory into practice.

16:45 Q&A

16.55 Summary and Close

Speakers:

Judith Peacock; Dixons Carphone, Jeremy Opperer; Exponent, Steve Curtler, Electrical Safety First, Rod Freeman; Cooley LLP, Phil Preece; Office for Product Safety and Standards

Moderator: *Martyn Allen, Electrical Safety First*
